C. Accounting Policy

Premiums are earned over the terms of the related insurance policies. Unearned premium reserves are established to cover the unexpired portion of premiums written. Such reserves are computed by daily pro rata methods for direct business and are based on reports received from ceding companies for reinsurance. Written premiums on all policies are recorded on an installment basis as provided for in SSAP 53(4). Expenses incurred in connection with acquiring new insurance business, including such acquisition costs as sales commissions, are charged to operations as incurred. Expenses incurred are reduced for ceding allowances received or receivable. In addition, The Company adheres to the following accounting policies:

- (1)-(5) No significant changes
(6) Loan-backed securities are reported at amortized cost using the effective annual yield method including anticipated prepayments at the date of purchase. Loan-backed securities that have experienced significant changes in estimated cash flows from the original assumptions are reported at amortized cost using estimated annual yield method on a prospective basis.
(7)-(13) No significant changes
