RE: PRIOR AUTHORIZATION DATA CALL

Section 59A-22B-4 NMSA 1978 of the Prior Authorization Act (“the Act”) requires the New Mexico Office of Superintendent of Insurance (“OSI”) to issue an annual report concerning prior authorization market conduct. To facilitate preparation of that report, the OSI directs every entity subject to the Prior Authorization Act to complete and submit to OSI the data reporting form available at: [Prior-Authorization-Data-Call.xlsx](#)

Every subject entity shall report data separately for fully-insured lines of major medical business, Medicaid coverage, including fee for service coverage, and coverage provided under the Health Care Purchasing Act. Reporting for fully-insured lines of major medical business shall be aggregated for all markets. Only include data from the 2020 plan year.

Please submit the completed form to Rolanda Paña at rolanda.pana@state.nm.us by 12:00 p.m. MST on August 2, 2021. Any questions should also be directed to Ms. Paña.
